Investment choice

See policessuper.co.nz for more information about your investment options.

Choose either A or B from the following (choose one)

- A** I would like my contributions and employer contributions (if any) to be invested in Super Steps. I understand that both my existing account balances and future contributions will be transferred into Super Steps.
- With Super Steps, your savings are invested automatically in one or a combination of Growth, Balanced or Stable depending on your age. Up until age 45, your funds are invested solely in Growth. From age 45, your funds will be switched progressively to Balanced and Stable as you get older.

You cannot mix and match between Super Steps and the other five options (see below).
